## CLEAN AND HYGIENIC

Eating in restaurants may increase your risk of getting sick because of low hygienic conditions and the involvement of employees in the cooking process. Our 100% automated hot dog cooking process will provide you fully hygienic food.

## IT TAKES SECONDS...

People spend approximately 6 months of their lives waiting in line to buy something: we will not make you wait anymore, and you will get your tasty hot dog within seconds.

## SAUSAGES ARE CHANGED EVERY FEW HOURS

We care about our customers and we refill the sausages every few hours. Whereas, in fast food restaurants, sausages are usually changed less frequently.

### **HOT DOGS GET COOKED AFTER YOUR ORDER**

The sausages in the vending machine are raw, so they get cooked only after your order. Some part of the vending machine is transparent, allowing you to follow the cooking process.

### **YOUR HEALTH AND SAFETY ARE OUR PRIORITY**

The food safety, freshness and your satisfaction are our first priority. We operate 24 hours a day, 7 days a week. We are responsible for the food produced by our vending machine, and we will be with you at any time you need us.

### **THE BEST QUALITY FOR THE BEST PRICE**

We only use the highest quality sausages produced by high profile companies. By automating almost the whole process, we are able to offer you a great product at a great price. A hot dog will not cost more than 2.5 €.
